GOSHEN – As we celebrate Girl Scout Week from March 9-15, Indiana Lakeland Girl Scout Council reaffirms its commitment to “Making the World a Better Place” by hosting a community food drive to benefit the Food Bank of Northern Indiana.

With the hard winter and flooding that we have all been experiencing, the food bank has had to work extra hard to meet the needs of the communities it serves. They are in critical need of boxed items like cereal, mac & cheese, hamburger helper, canned meats and vegetables and plastic containers of juice, peanut butter and jelly.

Girl Scouts will be on hand 10 am to 2 pm, Saturday, March 15 at the Girl Scout council service center parking lot located at 2400 Elkhart Road in Goshen to help our community fill the food bank truck. We encourage the community to please take a moment to help us support an organization whose mission is to see that no one in our community ever goes to bed hungry.

And why not pick up a box of your favorite Girl Scout cookies too? Junior Girl Scout Troop 180 of Goshen will be multi-tasking during this food drive to offer the community another opportunity to purchase Girl Scout cookies and to help the food bank.
